AUTUMN EPAA SESSION

JESENNÉ ZASADANIE EPAA

SEPTEMBER 22nd - 23rd 2016
KRAKOVANY
SLOVAKIA

Bulletin N# 4
Dear Partners and Friends,

Almost two years ago the Slovak Aviation Association (SAA) took over the responsibilities of the chairmanship of the EPAA. Our autumn session should be about assessing the period we went through together. I am more than sure, that we achieved a lot in keeping the relevance of the EPAA as an organization offering real professional partnership. We believe, our Slovenian friends will continue in the effort founding nations started to pursue more than a decade ago. I wish to all of us good and fruitful discussions in order to expand the values EPAA has been representing throughout of its history.

Dear Friends,

let me invite you with your spouses and partners to a meeting of the EPAA under the Slovak chairmanship and spend a remarkable time in a beautiful part of Slovakia.

Yours,

LtCol (r) Peter Gasparovič
President of the SAA
